

# HIGHER DIPLOMA IN LOGISTICS AND SUPPLY CHAIN MANAGEMENT

The Higher Diploma in Logistics and Supply Chain Management combines elements of both specialised and advanced study, merging the Specialist and Advanced Diploma levels. This program aims to provide students with a comprehensive education in the field of Logistics and Supply Chain Management, blending practical skills with theoretical knowledge. Integral to the educational journey in this programme is the 6-months Industry Attachment (IA), commonly known as on-the-job training (OJT). IA offers students invaluable real-world exposure to the complexities and demands of the event management industry, illuminating their career prospects.

## NOTES

- International Student's application for jobs OR Training Work Permit in Singapore is subject to the approval from the Ministry of Manpower of Singapore (MOM). GSTM DOES NOT GUARANTEE any success rate of approval.
- INDUSTRY ATTACHMENT (IA) is part of students' educational development. This enables theoretical learning in the classroom to be applied to practical learning situations and encourages application of theory and knowledge in appropriate context. IA applies to all students.
- Students who are already working may produce a letter from their respective employers to show minimum six months work experience in the relevant industry (subject to School's approval) for EXEMPTION to IA.
- The INDUSTRY PROJECT (IP) applies only when a student is unable to secure an IA with any organisation OR school's approval for EXEMPTION to IA. In the absence of an IA, the student has to complete an industry project lasting 2 months.
- The IP (5000 words) topic must in related field and approved by the school. Students have a maximum of 2 months to complete the project after approval.
- The IP provides an opportunity for students to integrate their knowledge through application to a practical-based classroom project by selecting the student's choice of industry. Preferably, this project focuses on an identified management issues and/or opportunities of an organisation.
