  - Explore, gather and develop ideas from a variety of texts combining linguistic and other semiotic modes.
  - Participate respectfully in discussion by upholding agreed upon rules of exchange.

- Speak and represent with confidence, coherence and cohesion using different semiotic modes appropriately to fulfil different purposes
- Pay increasing attention to producing texts that recount, entertain, instruct and respond.
- Monitor self and others in order to correct mispronounced words and adjust inappropriate use of prosodic features.

**4) Writing and Representing:** Develop a positive disposition towards writing and representing, writing readiness and handwriting, spelling accuracy, and apply skills and strategies for idea generation, selection, organisation, development, expression and revision in creating a variety of texts, to address different purposes, audiences, contexts and cultures.

- **Acquiring the Mechanics of Writing:**
  - Develop a positive disposition towards writing and representing
  - Develop writing readiness and write in print script. Apply spelling skills and strategies accurately for writing age-/year level appropriate words.
- **Writing and Representing Creatively and Critically for a Variety of Purposes, Audiences, Contexts and Cultures, both Individually and Collaboratively:**
  - Learn to write and represent by generating, selecting, organising, developing, expressing and revising ideas.
  - Create a variety of texts for different purposes, using an appropriate tone and register. Understand how the skills and knowledge of writing and representing specific types of texts can inform and be applied to the creation of other increasingly sophisticated texts of different types and/or forms.
  - Learn to write and represent with some attention to the appropriate organisational structures and language features of texts for different purposes

**5) Grammar:** Develop knowledge of grammar for the purposeful use of language at the word, phrase, sentence and text levels

- **Use of Terms:**
  - Learn metalanguage explicitly to talk about how language works at word and phrase levels and for identification of simple sentence functions in meaningful contexts
- **Grammar at Word, Phrase and Sentence Levels:**
  - Apply grammatical knowledge at the word, phrase and sentence levels to convey ideas accurately in different social contexts. Understand that by varying the forms of construction, different meanings are conveyed in different contexts.

**6) Vocabulary:** Develop knowledge of vocabulary for the purposeful use of rich language

- **Developing Rich Vocabulary Knowledge:**
  - Focus on learning words through experience and enjoyment
  - Develop vocabulary knowledge and take an active role in learning new vocabulary items
  - Develop rich vocabulary knowledge by examining how words are formed, how words relate to one another and how words are used in context.
  - Use various learner strategies to develop rich vocabulary.
- **Using Vocabulary:**
  - Use words suitable for purpose, audience, context and culture
  - Use fixed expressions accurately and appropriately.
  - Recognise, appreciate and use words for literary effect meaningfully.
  - Use words meaningfully in conjunction with semiotic modes.
