GSTM Staff and Students

COVID-19: FURTHER EASING OF SAFE MANAGEMENT MEASURES

1. Following this week's lifting of Vaccination-Differentiated Safe Management Measures (VDS) by the Ministry of Health (MOH), the following revised SMMs will take effect from 10 October 2022, unless otherwise stated.
2. Vaccination-Differentiated SMMs (VDS)
 - a. VDS on events and activities of the school, staff and students, teaching activities and examinations, will be lifted. Safe distancing is encouraged but not required between individuals or groups.
 - b. Students on internships programmes should continue to adhere to the prevailing SMMs and vaccination requirements in their workplaces.
3. Staff and students who tested positive for COVID-19 are to continue to adhere to the prevailing health protocols by MOH.
4. Mask-Wearing
 - a. Staff and students are still strongly encouraged to continue exercising personal and social responsibility by wearing masks to protect themselves and others, such as when in crowded places or interacting with vulnerable persons. If unwell, staff and students should mask-up and minimise in-person interactions. They should also self-isolate if they test positive for COVID-19, in accordance with MOH's prevailing guidelines and protocols.
 - b. Wearing of masks remains mandatory when travelling on public transportation in Singapore
5. Please adhere to SportSG's prevailing guidelines for sports activities.
6. Please adhere to NAC's advisory for live performances, voice training, speech and drama, singing and playing of wind and brass instruments.
7. If you have further questions, please check with the student support services department or email info@gstm.edu.sg

Best regards,
Alyssia Wong
Academic Director
