# ADVANCED DIPLOMA IN HOSPITALITY AND TOURISM MANAGEMENT

The course is focused on the latest development in the hospitality and tourism industry. It helps the students to gain theoretical and practical knowledge and skills in various aspects of hospitality and tourism management for those who wish to pursue or further advance their careers in this industry. Students may be selected to undergo on-the-job training of 6 months in an established event or hospitality or tourism establishment in Singapore. Failing which, students will prepare and submit an industry project within 2 months.

## NOTES

- Industrial Attachment is an integral part of the course. In the unlikely event that a student cannot be placed for Industrial Attachment, due to circumstances beyond the control of the student or the college, like non-approval of the Training Work Permit by Ministry of Manpower, the student will be required to complete an Industrial Project (5000 words) under the supervision of a lecturer from GSTM.
- The industrial project (5000 words) topic must be relevant to the tourism/hospitality industry and approved by the school. Students have a maximum of 2 months to complete the project after approval. The Industrial Project provides an opportunity for students to integrate their knowledge through application to a practical based classroom project within the selection of the student's choice of industry. Preferably, this project focuses on an identified management issues and/or opportunity of an organisation.
