NOTES

- The industrial project applies only when a student is unable to secure an industrial attachment with any organisation. In the absence of an industrial attachment, the student has to complete an individual project lasting for 2 months.
- The industrial project (5000 words) topic must be relevant to the business organisation and management and approved by the school. Students have a maximum of 2 months to complete the project after approval. The Industrial Project provides an opportunity for students to integrate their knowledge through application to a practical based classroom project within the selection of the student's choice of industry. Preferably, this project focuses on an identified management issues and/or opportunity of an organisation.
