

ADVANCED DIPLOMA IN COMPUTING AND INFORMATION TECHNOLOGY

The course is focused on the latest development in the computing and information technology industry. It helps the students to gain theoretical and practical knowledge and skills in various aspects of computing and information technology management for those who wish to pursue or further advance their careers in this industry. Students may be selected to undergo on-the-job training of 6 months in an established computing and information technology establishment in Singapore. Failing which, students will prepare and submit an industry project within 2 months.

ACADEMIC REQUIREMENT

- Completion of GSTM Specialist Diploma in Computing and Information Technology or equivalent; OR
- Polytechnic Diploma in a relevant field (e.g. Computing/ Computer Science/ Information Technology or related field); OR
- Other PEI qualification (e.g. Diploma in Computing/ Computer Science/ Information Technology or related field is equivalent to GSTM's Specialist Diploma) will be assessed on a case by case basis; OR
- Matured student: At least 30 years old with at least 8 years of relevant working experiences will be considered.

ENGLISH LANGUAGE REQUIREMENT

- *A pass in English at GCE 'O' Level, or IELTS 5.5 and or equivalent; Or
- Completed a prior Diploma or equivalent where the medium of instruction is English

NOTES

- International Student's application for jobs OR Training Work Permit in Singapore is subject to the approval from the Ministry of Manpower of Singapore (MOM). GSTM DOES NOT GUARANTEE any success rate of approval.
- INDUSTRY ATTACHMENT (IA) is part of students' educational development. This enables theoretical learning in the classroom to be applied to practical learning situations and encourages application of theory and knowledge in appropriate context. IA applies to all students.
- Students who are already working may produce a letter from their respective employers to show minimum six months work experience in the relevant industry (subject to School's approval) for EXEMPTION to IA.
- The INDUSTRY PROJECT (IP) applies only when a student is unable to secure an IA with any organisation OR school's approval for EXEMPTION to IA. In the absence of an IA, the student has to complete an industry project lasting 2 months.
- The IP (5000 words) topic must in related field and approved by the school. Students have a maximum of 2 months to complete the project after approval.
- The IP provides an opportunity for students to integrate their knowledge through application to a practical-based classroom project by selecting the student's choice of industry. Preferably, this project focuses on an identified management issues and/or opportunities of an organisation.
